

The Jefferson School District 251 Transportation Department posts student route information online via the web and/or via mobile App, “Traversa Ride 360”. We ask all parents/guardians to download and register, as this is also how we will communicate route delays, changes, other important information.

***Student Safety is our highest priority!***

***With student safety in mind, please note the following:***

- We do our best to stay on the posted route schedule. To avoid unnecessary delay, ***students should be waiting at their assigned stop for the bus at the assigned time – our schedule is difficult to maintain when bus waits for students.***
- Please keep your student’s address and contact information current in PowerSchool. Allow up to 3 school days for any changes in Ride 360.
- Ride 360 is the primary method we use to notify Parents/Guardians of Transportation information, delays, or concerns.
- Please read the “IMPORTANT MESSAGE” content in Ride 360.
- Times listed are the Transportation Department’s best estimate. If your bus is more than 5 minutes late, please contact the Transportation Office at 208-754-8211.

**NOTE: Wednesday’s early release schedule is not be reflected in Ride 360.**
