Membership

The District is governed by a Board of Trustees consisting of seven Members. Each Member is to represent a different trustee zone unless a Trustee was appointed at-large to fill a Board vacancy. The Board's powers and duties include the broad authority to adopt and enforce all necessary policies for the management and government of the public schools. Except as otherwise provided by law, Trustees shall hold office for terms of four years until January 1 of the year in which the Trustee's term expires.

When a change in the boundaries of a duly elected Trustee's zone causes them to no longer reside in the zone they were elected to serve, the Trustee shall be allowed to remain in office for the remainder of their term. This shall not apply to a Trustee who resides at a different address from the one they resided at when the election took place. In such cases and in cases where the Trustee was appointed to represent a zone they no longer reside within, a vacancy shall be declared as described in Policy 1140.

All Trustees shall participate on an equal basis with other Members in all Board business. Official action by Board Members must occur at a duly called and legally conducted meeting. A meeting of the Board means convening to make a decision or to deliberate toward a decision on any matter.

School Board Members, as individuals, have no authority over school affairs or personnel, except as provided by law or as authorized by the Board.

Elections

Elections conducted on behalf of the district are nonpartisan elections governed by the election laws of the State of Idaho and include the election of the Board Trustees, various public policy propositions, and advisory questions.

Board Trustee elections shall be held on the first Tuesday following the first Monday in November in odd-numbered years. Any person legally qualified to hold the position of school district trustee may file a declaration of candidacy for the office. The declaration must include the name of the candidate, the term for which declaration of candidacy is made, and include the signatures of not fewer than five School District electors residing in the trustee zone of which the candidate seeks election. Such declaration must be filed with the clerk of the district not later than 5:00 PM on the ninth Friday preceding the day of the election for the subject Trustee position. Any person seeking to become a write-in candidate must file a declaration of intent with the county clerk not later than 45 days before the election date and include the signatures of not fewer than five school district electors residing in the trustee zone of which the candidate seeks election.

If, after expiration of the date for filing written nominations, it appears that only one qualified candidate has been nominated for a position or if only one candidate has filed a write-in declaration of intent, no election shall be held for that position. The Board or the clerk, with the written permission of the Board, shall declare such a candidate elected as a Trustee. The clerk shall immediately prepare and deliver to the person a certificate of election signed by him or her bearing the seal of the district. All other scheduled trustee elections will move forward under the regular procedures.

In each trustee zone, the person receiving the greatest number of votes cast within his or her zone shall be declared by the Board as the Trustee elected from that zone. If any two or more people have an equal number of votes in any Trustee zone and a greater number than any other nominee in that zone the Board of Trustees shall determine the winner by a toss of a coin.

The adoption of new policies and the revision and amending of existing policies shall be the sole responsibility of the Board of Trustees.

All policies shall conform to local, state, and federal laws as well as to the rules and regulations of the Idaho Department of Education.

Adoption and Amendment of Policies

Proposed new policies and proposed changes in existing policies shall be presented in writing for reading and discussion at a regular or special Board meeting. Such proposals may be referred to the superintendent for detailed study as needed prior to Board action on the proposal. The Board encourages the superintendent to contact other experts to have potential board policy researched. Interested parties, including any Board member, citizen, or employee of the Board may submit views, present data or arguments, orally or in writing, in support of or in opposition to proposed policy. Any written statement by a person relative to a proposed policy or amendment should be directed to the District clerk prior to the second reading.

Proposed new policies and proposed changes in existing policies shall undergo a minimum of two (2) readings in the following manner:

1. At a regular or special Board meeting the proposed new or amended policy shall be presented in writing for reading and discussion.
2. The final vote for adoption shall take place not earlier than at the second reading of the particular policy.

Policies as adopted or amended shall be made a part of the minutes of the meeting at which action was taken and shall also be included in the District's policy manual. Policies of the District shall be reviewed annually by the Board.

Administration in Absence of Policy

In cases where action must be taken before the next board meeting and where the Board has provided no policies or guides for administrative actions, the superintendent shall have to power to act. His decisions, however, shall be subject to review by action of the Board at its next regular meeting. In addition, it shall be the duty of the superintendent to inform the Board of such action and the need for policy.

Suspension of Policies

Under circumstances which require a waiver of a policy, the policy may be suspended by a majority vote of the members present. In order to suspend a policy, all trustees must have received written notice of the meeting which included a proposal to suspend the policies with an explanation of the purpose of such proposed suspension. If such a proposal is not made in writing in advance of the meeting, the policies may only be suspended by a unanimous vote of all trustees' present.

Each administrator, as well as staff, students and other residents, shall have ready access to the manual. Board Participation in Activities

Members of the Board, collectively and individually, are encouraged to attend school activities, social functions and instructional programs at no cost to the trustees in order to view and observe such functions in operation. Attendance at such programs as musical presentations, speech activities, clubs, dramatic productions and athletic events, indicates interest in school affairs and provides opportunity for more comprehensive understanding of the total school program.

Administration will provide appropriate communications to trustees to keep them informed about activities they may wish to attend.

Board/Staff Communications

Every reasonable means of communication is encouraged throughout the education community. Nevertheless, an organization must maintain some order and structure to promote efficient and effective communications.

Staff Communications to the Board

All official communications or reports to the Board from principals, supervisors, teachers, or other staff members shall be submitted through the Superintendent. This shall not deny any staff member's right to appeal to the Board from administrative decisions, provided that the Superintendent shall have been notified of the forthcoming appeal and that it is processed according to the applicable procedures for complaints and grievances.

Board Communications to Staff

All official communications, policies and directives of staff interest and concern will be communicated to staff members through the Superintendent. The Superintendent will employ all such media as are appropriate to keep staff fully informed of the Board's concerns and actions.

Visits to Schools

Trustees should make a point to visit each school of the District not less than once each school year to examine its condition and needs. Individual Board members interested in visiting schools should, out of courtesy, make arrangements for visitations through the principals of the various schools. Such visits shall be regarded as informal expressions of interest in school affairs and not as "inspections" or visits for supervisory or administrative purposes.

Social Interaction

Staff and Board members share a keen interest in the schools and education. When they meet at social affairs and other functions, informal discussion on such matters as educational trends, issues, and innovations and general District problems can be anticipated.

School Board Use of Electronic Mail

Use of electronic mail (e-mail) by members of the Board will conform to the same standards of judgment, propriety, and ethics as other forms of school board-related communication. Board members will comply with the following guidelines when using e-mail in the conduct of Board responsibilities:

1. The Board will not use e-mail as a substitute for deliberations at Board meetings or for other communications or business properly confined to Board meetings.
2. Board members will be aware that e-mail and e-mail attachments received or prepared for use in Board business or containing information relating to Board business may be regarded as public records, which may be inspected by any person upon request, unless otherwise made confidential by law.
3. Board members will avoid reference to confidential information about employees, students, or other matters in e-mail communications, because of the risk of improper disclosure or insecure websites. Board members will comply with the same standards as school employees, with regard to confidential information.

Definitions

"Deliberation" is defined as the receipt or exchange of information or opinion relating to a decision but shall not include informal or impromptu discussions of a general nature which do not specifically relate to a matter then pending before the public agency for decision.

Board-Superintendent Relationship

The Board-Superintendent relationship is based on mutual respect for their complementary roles. The relationship requires clear communication of expectations regarding the duties and responsibilities of both the Board and Superintendent.

The Board hires, evaluates, and seeks the recommendations of the Superintendent as the District chief executive officer. The Board adopts policies necessary to provide the general direction for the District and to encourage achievement of District goals. The Superintendent develops plans, programs, and procedures needed to implement the policies and directs the District's day-to-day operations.

The Superintendent shall be employed for a term not to exceed three (3) years and shall be the executive officer of the Board with such powers and duties as the board prescribes. The Superintendent shall act as the authorized representative of the district whenever such is required.

The Board shall conduct an annual, written formal evaluation of the work of the Superintendent.

Trustee Expenses

Expenses for Board Members - In-District

A trustee shall not receive remuneration for service as a trustee. However, each trustee shall be compensated for actual expenses incurred for travel to, from, and attending meetings of the board as

provided herein. Reimbursement may be paid as the travel is assumed or may accumulate until the end of the fiscal year, at the discretion of the trustee.

Board Meetings

Whenever any trustee resides at such distance from the meeting place of the board as to require such member to incur extraordinary expense in traveling from the trustee's home to and from the meeting place, the board may approve payment to a trustee of the extraordinary expense incurred in attending any such meeting. The Board has determined that those trustees who will in excess of 15 miles from the place where school board meetings are general held shall be entitled to an allowance for mileage or actual travel expense incurred, whichever is less.

Expenses for Board Members at Out-of-District Meetings

Trustees normally attend workshops, training institutes, and conferences at both the state and national level. It is appropriate that trustee expenditures at these out-of-District meetings be paid by the District from the general fund. It is the intent of the District to pay all legitimate costs for trustees to attend out-of-District meetings, at the established rates for reimbursement set by the District:

1. Transportation as approved by the Board.
2. On-site transportation during the course of the meeting, i.e., bus, taxi, or rental car.
3. Hotel or motel costs for trustee, as necessary.
4. Food costs as necessary.
5. Telephone services shall be provided for necessary communications with business or family, resulting from the trustee being away from business or family.
6. Incidental expenditures for tips and other necessary costs attributable to the trustee's attendance at the meeting. The Districts will not reimburse or pay for such items as liquor, expenses of a spouse, separate entertainment, or other unnecessary expenditures.

Board Meetings

Meeting Defined

A meeting is defined as the convening of the Board of Trustees to make a decision or to deliberate toward a decision on any matter. Trustees may participate in Board meetings via electronic means, including telephonic or video conferencing devices, provided at least one member of the Board of Trustees or Superintendent is physically present at the meeting location.

Regular Meetings

Unless otherwise specified, all meetings will be held in the Board Room at the District Office. Regular meetings shall be held at 6:30 p.m. on the 2nd Wednesday of each month.

Emergency Meetings

In the event of an emergency involving possible personal injury or property damage, immediate financial loss, or the likelihood of injury, damage, or loss, the Board may meet immediately and take official action without prior notification when the notice requirements would make such notice impracticable or increase the likelihood or severity of such injury, damage, or loss and the reason for the emergency is stated at the outset of the meeting.

Budget Meetings

No later than 28 days prior to its regular July meeting, the Board shall have prepared a budget, in the form prescribed by the State Superintendent of Public Instruction and shall hold a public hearing. At such public hearing or at a special meeting held no later than 14 days after the public hearing, the Board shall adopt a budget for the ensuing year. Notice of the budget hearing shall be posted and published as prescribed in Idaho Code. From the time noticed, a copy of the budget shall be available for public inspection during regular business hours.

Special Meetings

Special meetings may be called by the Chair or by any two Trustees. If the time and place of special meetings has not been determined at a meeting of the Board with all members present, then written notice of a special meeting, stating the purpose of the meeting, shall be delivered to each Trustee not less than 24 hours prior to the time of the meeting. Such written notice shall be posted conspicuously at the District Office and at least two or more public buildings within the District. Business transacted at a special meeting will be limited to that stated in the notice of the meeting.

Executive Sessions

Pursuant to Idaho Code, upon a 2/3 roll call vote recorded in the minutes of the meeting, the Board may hold an executive session after the Board Chair has expressly identified the specific legal authorization for holding an executive session and provided sufficient detail to identify the general purpose and topic of the executive session. However, the information provided shall not compromise the purpose of going into an executive session. Only in the event that Board vacancies, and not absences, prevent a 2/3 majority from being present, a simple majority vote to enter executive session may be called.

An executive session may be held for, and only for, the following purposes:

1. To consider hiring a public officer, employee, staff member, or individual agent wherein the respective qualities of individuals are to be evaluated in order to fill a particular vacancy or need. Please note this does not apply to filling a vacancy in an elective office or deliberations about staffing needs in general.
2. To consider the evaluation, dismissal, or disciplining of; or to hear complaint or charges brought against a public officer, employee, staff member or individual agent, or a student.
3. To acquire an interest in real property that is not owned by a public agency.
4. To consider records exempt from public disclosure.
5. To consider preliminary negotiations involving matters of trade or commerce in which the Board is in competition with other governing bodies in other states or nations.
6. To communicate with legal counsel and to discuss any legal ramifications and/or legal options for pending litigation or possible legal controversies not yet being litigated, but imminently likely to be litigated. The presence of legal counsel at executive session is not sufficient to satisfy this requirement.
7. To communicate with a representative of the District's risk management or insurance provider to discuss a pending claim or prevention of a possible claim imminently likely to be filed. The presence of a risk management or insurance provider at executive session is not sufficient to satisfy this requirement.
8. To conduct deliberations regarding labor negotiations. Note: The Board may still deliberate regarding labor negotiations and may caucus regarding negotiations in Executive Session. However, all actual negotiations between the parties; such as the exchange of offers, counteroffers, and exchange of documents; must be conducted in open session.

No action may be held for the purpose of taking any final action or making any final decisions except for making a determination to place a certified professional employee on probation.

If only an executive session will be held, a 24-hour meeting and agenda notice shall include the date, time, place, items to be discussed, and the specific provision of law authorizing the executive session. The Board will not change the subject within the executive session to any subject not identified within the motion to enter executive session or to any topic for which an executive session is not provided.

Board Meeting Procedure

Agenda

The agenda for any Board meeting shall be prepared by the Superintendent and Board Chairman. Items submitted by the Board Chair or at least two board members shall be placed on the agenda. Citizens may also suggest inclusions on the agenda. Such suggestions must be received by the Superintendent at least 10 days before the Board meeting, unless of immediate importance. Individuals who wish to address the Board must also notify the Superintendent, in writing, of the request. The request must include the reason for the appearance. Citizens wishing to make brief comments about school programs or procedures or items on the agenda need not request placement on the agenda and must follow the procedure established for public input at Board meetings.

Regular Meeting Agendas - A forty-eight (48) hour agenda notice shall be required in advance of each regular meeting. Notices and agendas must be posted in a prominent place at the principal office of the District, or if no such office exists, at the building where the meeting is to be held.

Special Meeting Agendas – Special meetings require a twenty-four (24) hour meeting and agenda notice. The agenda notice shall include at a minimum the meeting date, time and place.

Amending Agendas – An agenda may be amended provided that a good faith effort is made to include, in the original agenda notice, all items known to be probable items of discussion.

AMENDING THE AGENDA MORE THAN 48 HOURS BEFORE REGULAR MEETING OR 24 HOURS BEFORE SPECIAL MEETING:

If an amendment to an agenda is made after an agenda has been posted but forty-eight (48) hours or more prior to the start of a regular meeting, or twenty-four (24) hours or more prior to the start of a special meeting, then the agenda is amended upon the posting of the amended agenda.

AMENDING THE AGENDA LESS THAN 48 HOURS BEFORE REGULAR MEETING OR 24 HOURS BEFORE SPECIAL MEETING:

If an amendment to an agenda is proposed after an agenda has been posted and less than forty-eight (48) hours prior to a regular meeting or less than twenty-four (24) hours prior to a special meeting but prior to the start of the meeting, the proposed amended agenda shall be posted but shall not become effective until a motion is made at the meeting and the Board votes to amend the agenda.

AMENDING THE AGENDA AFTER THE START OF A MEETING:

An agenda may be amended after the start of a meeting upon a motion that states the reason for the amendment and states the good faith reason the agenda item was not included in the original agenda posting.

Negotiation Meeting Notices

Notice of all negotiation sessions between the District and the local education organization shall be posted, at the earliest time practicable on the front page of the district's website. Additionally, if time permits, the district shall post notice of the negotiation sessions within twenty-four (24) hours at the same physical locations the district uses for posting its regular meetings.

Order of Business

The order of business will be determined by the Board Chairman and Superintendent with input from the Board. Upon consent of the majority of the members present, the order of business at any meeting may be changed.

Consent Agenda

To expedite business at a Board meeting, the Board approves the use of a consent agenda, which includes those items considered to be routine in nature. Any item which appears on the consent agenda may be removed by a member of the Board. It is strongly suggested that any Board member who wishes to remove an item from the consent agenda give advance notice in a timely manner to the Board Chairman and Superintendent. The remaining items will be voted on by a single motion. The approved motion will be recorded in the minutes, including a listing of all items appearing on the consent agenda.

Minutes

The Clerk shall keep written minutes of all open Board meetings, which shall be signed by the Chair and the Clerk. The minutes shall include:

- The date, time and place of the meeting;
- The presiding officer;
- Board members recorded as absent or present;

- All motions, resolutions, orders, or ordinances proposed and their disposition;
- The results of all votes, and upon the request of a member, the vote of each member, by name;
- Legal basis for recessing into executive session; and
- Time of adjournment.

When issues are discussed that may require a detailed record, the Board may direct the Clerk to record the discussion verbatim.

Unofficial minutes shall be delivered to Board members in advance of the next regularly scheduled meeting of the Board. Minutes need not be read publicly, provided that members have had an opportunity to review them before adoption. A file of permanent minutes of Board meetings shall be maintained in the office of the Clerk, to be made available within a reasonable period of time after a meeting for inspection upon the request.

Minutes of Executive Session

The Clerk shall keep written minutes of executive session. Said minutes shall be limited to a specific reference to the Idaho code subsection authorizing the executive session and sufficient detail to provide the general subject matter to identify the purpose and topic of the executive session. The roll call vote to go into executive session shall be recorded in the minutes. The minutes shall not contain information that would compromise the purpose of going into executive session.

Minutes of Negotiation Sessions

In all negotiation sessions between the District and the local education organization, the District shall cause to be taken written minutes. All documentation exchanged between the parties during a negotiation session, including all offers and counteroffers, shall be retained by the District and shall be subject to public writings disclosure laws.

Quorum

No business shall be transacted at any meeting of the Board unless a quorum of the members is present. A majority of the full membership of the Board shall constitute a quorum, a majority of the quorum may pass a resolution.

Meeting Conduct and Order of Business

Public Participation in Board Meeting

All regular and special meetings of the Board shall be open to the public, but any person who disturbs good order may be required to leave. The Board of Trustees encourages all citizens of the District to express their ideas and concerns. The comments of the community will be given careful consideration. In the evaluation of such comments, first priority will be District students and their educational program.

NOTICE

DUE TO THEIR SENSITIVE NATURE, COMMENTS OR COMPLAINTS ABOUT PERSONNEL OR INDIVIDUAL STUDENTS WILL ONLY BE HEARD IN EXECUTIVE SESSION. "A PERSON WHO DISRUPTS THE EDUCATIONAL PROCESS OR WHOSE PRESENCE IS DETRIMENTAL TO THE MORALS, HEALTH, SAFETY, ACADEMIC LEARNING OR DISCIPLINE OF THE PUPILS OR WHO LOITERS IN SCHOOLHOUSES OR ON SCHOOL GROUNDS, IS GUILTY OF A MISDEMEANOR." Idaho Code § 33-512 (11).

Any complaint about the District, including instruction, discipline, District personnel policy, procedure or curriculum, should be referred through proper administrative channels before it is presented to the board for consideration and action. All complaints should be resolved through proper channels in the following order:

1. Teacher or Staff
2. Principal or Supervisor
3. Director or Administrator
4. Superintendent
5. Board of Trustees

Members of the public will not be recognized by the Chairman as the Board conducts its official business except when the Board schedules an interim public discussion period on a particular item. The Board will listen to the public but, at the same time, expects the public to listen and speak only when properly recognized.

At each Regular and Special meeting of the Board the agenda may provide time for public comment before the Board. Persons wishing to address the Board will be required to submit a "REQUEST TO APPEAR BEFORE THE BOARD" form. Forms are available from the Board Secretary and will be available at each meeting.

Total time allotted for public comment will not exceed 30 minutes. Public participation will be limited to the time allotted on the agenda. Each speaker will be limited to five minutes. All speakers will be allowed to speak at least once before a speaker is allowed to address the board a second time. Public comment will be taken from the public on matters scheduled on the agenda. Should a large number of the public wish to speak on the same issue or topic, members of the public are encouraged to select a representative(s) to summarize their position. Additionally, the Board Secretary will accept written comments for distribution to the Board.

Written materials for Board Members must be submitted to the Board Secretary. The written material must include the name, address and telephone number of the person submitting it. A copy of the materials that meet these requirements will be forwarded to Board Members if received by noon the Friday preceding the Board Meeting. Materials should not be sent directly to Board Members. Materials may be presented or mailed to the Board Clerk at 3850 E 300 N, Rigby, Idaho. If a topic is being considered by a committee established for that purpose, the Chairman may refer the public comment to that committee.

Because of the diversity of issues, members of the Board will not respond to public comment. Instead, issues may be recorded and referred to the proper staff person for follow-up. The Chairman may interrupt or terminate an individual's statement when it is too lengthy, personally directed, abusive, obscene, repetitive, or irrelevant. The Board of Trustees as a whole shall have the final decision in determining the appropriateness of all such rulings.

Nothing in this policy shall prohibit the removal of any person who willfully disrupts a meeting to the extent that orderly conduct is seriously compromised. Defamatory or abusive remarks are always out of order. The presiding officer may terminate the speaker's privilege of address if, after being called to order, the speaker persists in improper conduct or remarks.

If a special meeting has been held to obtain public comment on a specific issue, the Chairman of the Board may not recognize speakers wishing to comment on the same topic at a regular meeting of the Board.

Records Available to Public

Subject to the limitations provided herein and as provided by law full access to information concerning the administration and operations of the District shall be afforded to the public. Public access to District records shall be afforded according to appropriate administrative procedures.

Every person has the right to examine and take a copy of any public record at all reasonable times. All District records except those restricted by state and federal law shall be made available to citizens upon written request for inspection at the Clerk's office.

The Superintendent shall serve, or appoint someone to serve, as "Public Records Coordinator" with the responsibility and authority for ensuring compliance with the display, indexing, availability, inspection,

and copying requirements of federal law, state law, and this policy. Responsibility and authority for indexing shall include identifying the general subject matter of all public records kept or maintained by the District, the custodian of these records, and their physical location. The public records coordinator shall authorize the inspection and copying of the District's records only in accordance with the criteria set forth in this policy and in compliance with state and federal laws.

A written copy of the Board's minutes shall be available to the general public within a reasonable time after the meeting in which they are approved.

A "Public record" includes any writing containing information relating to the conduct or administration of the public's business prepared, owned, used or retained by any state agency, independent public body corporate and politic or local agency regardless of physical form or characteristics.

A "Writing" includes, but is not limited to, handwriting, typewriting, printing, photocopying, photographing, and every means of recording, including letters, words, pictures, sounds or symbols, or combination thereof, and all papers, maps, magnetic or paper tapes, photographic films and prints, magnetic or punched cards, discs, drums or other documents.

Public records of the District do not include the personal notes and memoranda of staff that remain in the sole possession of the maker and which are not generally accessible or revealed to other persons.

In accordance with Title 9, Chapter 3, Idaho Code, the following records shall **not** be subject to public inspection and/or copying:

1. Any public record exempt from disclosure by federal or state law or federal regulations to the extent specifically provided for by such law or regulation;
2. All other personnel information relating to a public employee or applicant including, but not limited to, information regarding sex, race, marital status, birth date, home address and telephone number, net pay, applications, testing and scoring materials, grievances, correspondence, and performance evaluations, shall not be disclosed to the public without the employee's or applicant's written consent;
3. Retired employees' and retired public officials' home addresses, home telephone numbers, and other financial and non-financial membership records;
4. Records of a current or former employee other than the employee's duration of employment with the District, position held, and location of employment. This exemption from disclosure does not include the contracts of employment or any remuneration, including reimbursement of expenses. All other personnel information relating to an employee or applicant including, but not limited to, information regarding sex, race, marital status, birth date, home address and telephone number, applications, testing and scoring materials, grievances, correspondence, retirement plan information and performance evaluations, shall not be disclosed to the public without the employee's or applicant's written consent;
5. Records relating to the appraisal of real property, timber, or mineral rights prior to its acquisition, sale, or lease by the District;
6. Any estimate prepared by the District that details the cost of a public project until such time as disclosed or bids are opened, or upon award of the contract for construction of the public project;

7. Records of any risk retention or self-insurance program prepared in anticipation of litigation, or for analysis of, or settlement of potential or actual money damage claims against the District and/or its employees except as otherwise discoverable under the Idaho or federal rules of civil procedure. These records shall include, but are not limited to, claims evaluations, investigatory records, computerized reports of losses, case reserves, internal documents, and correspondence relating thereto. At the time any claim is concluded, only statistical data and actual amounts paid in settlement from public funds shall be deemed a public record unless otherwise ordered to be sealed by a court of competent jurisdiction. Provided however, nothing in this subsection is intended to limit the attorney client privilege or attorney work product privilege otherwise available to any public agency or independent public body corporate and politic;
8. Computer programs developed or purchased by or for the District for its own use. As used in this subsection, "computer program" means a series of instructions or statements which permit the functioning of a computer system in a manner designed to provide storage, retrieval, and manipulation of data from the computer system, and any associated documentation and source material that explain how to operate the computer program. Computer program does not include:
 - a. The original data including, but not limited to, numbers, text, voice, graphics, and images;
 - b. Analysis, compilation, and other manipulated forms of the original data produced by use of the program; or
 - c. The mathematical or statistical formulas that would be used if the manipulated forms of the original data were to be produced manually.
9. Personal information from any file maintained for students. Information from student records shall be disclosed only in accordance with the requirements of the Family Educational Rights and Privacy Act of 1974 and adopted District policy;
10. Test questions, scoring keys, or other examination data used to administer academic tests;
11. Records that are relevant to a controversy to which the District is a party but which records would not be available to another party under the rules of pre-trial discovery for cases pending resolution;
12. Records of buildings, facilities, infrastructures, and systems when the disclosure of such information would jeopardize the safety of persons or the public safety. Such records may include emergency evacuation, escape or other emergency response plans, vulnerability assessments, operation and security manuals, plans, blueprints or security codes.

However, all personnel records of a current or former public official reflecting public service or employment history, classification, pay grade and step, longevity, gross salary and salary history, status, workplace, and employing agency are subject to public inspection and/or copying.

If the record requested for inspection and/or copying contains both information exempted from disclosure and non-exempt information, the District shall, to the extent practicable, produce the record with the exempt portion deleted and shall provide a written explanation for the deletion.

The District shall require that a public records request be submitted in writing upon a form prescribed by the District with the requester's name, mailing address, email address, and telephone number. The District may provide the requester information to help the requester narrow the scope of the request or to help the requester make the request more specific when the records requested are voluminous or costly.

The District shall either grant or deny a person's request to examine or copy public records within three (3) working days of the date of the receipt of a request for public records. If a longer period of time is needed to locate or retrieve the records, the District shall notify the person requesting the records of the same and provide the records to such person not later than ten (10) working days following the request. In the event an individual requests a record be provided in electronic format, the District shall provide the record in electronic format if the record is available in that format. If a record is requested in electronic format and the record cannot easily be converted to electronic format within ten (10) working days, the District shall notify the person requesting the records of this fact and provide them with an estimate of the time necessary to complete the conversion. The documents shall then be provided at a time mutually agreeable to the parties giving consideration to any limitations that may exist regarding electronic conversion.

If the District fails to respond, the request shall be deemed to be denied within ten (10) working days following the request. If the District denies the person's request for examination or copying the public records or denies in part and grants in part the person's request for examination and copying of the public records, the public records coordinator shall notify the person in writing of the denial or partial denial of the request for the public record. The notice of denial or partial denial shall state that the attorney for the District has reviewed the request or shall state that the District has had an opportunity to consult with an attorney regarding the request for examination or copying of a record and has chosen not to do so. The notice of denial or partial denial also shall indicate the statutory authority for the denial and indicate clearly the person's right to appeal the denial or partial denial and the time periods for doing so.

The public records coordinator is authorized to seek an injunction to prevent the disclosure of records otherwise suitable for disclosure when it is determined that there is reasonable cause to believe that the disclosure would not be in the public interest and would substantially or irreparably damage any person or would substantially or irreparably damage vital governmental functions.

Unless a person requesting the public record can demonstrate an inability to pay or if the requester's interest is in litigation in which the requester is, or may become, a party, or the public's interest or understanding of the operation or activities of the District or its records would suffer by the assessment or collection of any fee, the District will adhere to its copying fee schedule.

The public records coordinator shall determine if there is an inability to pay by the requester or whether the request is likely to contribute significantly to the public's understanding of the operations or activities of government. The public records coordinator shall notify the requester in writing of their decision within ten (10) working days following the request. If the fee waiver is denied, the requester shall then have seven (7) days to file an appeal of the denial with the Superintendent. The Superintendent shall review the denial and either affirm or reverse the denial of the public records coordinator in writing within ten (10) working days of receipt of the appeal. In the event that the Superintendent is the public records coordinator then the appeal shall be filed within seven (7) days to the Board. At the Board's next regularly scheduled meeting, the Board shall review the denial of fee waiver and either affirm or reverse it. There shall be no further appeal beyond the Board. The request shall not be fulfilled or prepared until such time as the denial has been reversed. If the denial is reversed then the time for response shall run from the date of the written reversal of the denial. If the

denial is affirmed and there are no further appeals available, then the requester shall be required to pay in advance the estimated costs for the request.

A requester may not file multiple requests for public records solely to avoid payment of fees. If the District suspects that this is the case, then it can aggregate the related requests and charge based upon its copying fee schedule.

The copying fee schedule of the District is as follows:

- a) The District shall not charge a fee for the first 50 pages of records or the first (1) hour of labor in responding to a request;
- b) Copies of public records - 10¢ per page (cannot exceed actual cost) for copies beyond the first 50 pages or beyond the first (1) hour of labor in responding to a request;
- c) The District will charge for the labor costs associated with locating and copying documents if:
 - (1) The request is for more than 50 pages of records;
 - (2) The request includes non-public information that must be redacted from the public records; and/or
 - (3) The labor associated with locating and copying the records exceeds one (1) hour.
- d) The fees for labor associated with responding to a public records request shall be charged at the per hour pay rate of the lowest paid administrative staff employee of the District who is necessary and qualified to process the request.
- e) The fees associated with redactions required to be made by an attorney employed by the District shall be charged at the lowest paid hourly rate of the lowest paid attorney employed by the District or if there are no attorneys employed by the District then the rate shall be no more than the usual and customary rate of the attorney retained by the District.
- f) Copy of a duplicate computer disc or similar record system the fee shall not exceed:
 - (1) The District's cost of copying the information in that form;
 - (2) The District's cost of conversion, or the cost of conversion charged by a third party, if the electronic record must be converted to electronic form.

Fees shall be collected in advance. The District shall provide requesters with an itemized statement of fees to show the per page costs for copies and the hourly rate of employees and attorneys involved in responding to the request.

A request for public records may be conducted by electronic mail.

Conduct of Board Meetings

The Board, as a legally established arm of the Idaho Legislature, has the statutory responsibility to transact the official business of the school district. As such, School Board meetings are meetings that are held in public, but they are not public meetings. In order to ensure the orderly conduct of a meeting, spontaneous or disruptive communication by the audience cannot be condoned. Individuals or organizations desiring to make requests, presentations, or proposals to the Board will be provided with that opportunity at each meeting.

Addressing the Board of Trustees

Those who wish to speak on a particular Agenda item will be introduced by the Board Chairperson at the appropriate time during the Board meeting. Speakers may offer objective comments about school operations, programs, or planned programs that concern them. The purpose of the patron input is to give the Board information about a particular topic and is not a question-and-answer session between the presenter and any Board member or district employee. The Board will not permit any expression in public session of personal complaints about the work or effectiveness of school district personnel. Persons with complaints about school personnel must supply a written summary of the complaint to the Superintendent.

Public Participation in Board Meeting

The Board of Trustees encourages all citizens of the District to express their ideas and concerns. The comments of the community will be given careful consideration. In the evaluation of such comments, first priority will be District students and their educational program.

NOTICE

DUE TO THEIR SENSITIVE NATURE, COMMENTS OR COMPLAINTS ABOUT PERSONNEL OR INDIVIDUAL STUDENTS WILL ONLY BE HEARD IN EXECUTIVE SESSION. Idaho Code § 67-2345.

“A PERSON WHO DISRUPTS THE EDUCATIONAL PROCESS OR WHOSE PRESENCE IS DETRIMENTAL TO THE MORALS, HEALTH, SAFETY, ACADEMIC LEARNING OR DISCIPLINE OF THE PUPILS OR WHO LOITERS IN SCHOOLHOUSES OR ON SCHOOL GROUNDS, IS GUILTY OF A MISDEMEANOR.” Idaho Code § 33-512 (11).

Any complaint about the District, including instruction, discipline, District personnel policy, procedure or curriculum, should be referred through proper administrative channels before it is presented to the board for consideration and action. All complaints should be resolved through proper channels in the following order:

1. Teacher or Staff
2. Principal or Supervisor
3. Director or Administrator
4. Superintendent
5. Board of Trustees

If these channels have been exhausted, this form should be filled out and handed to the board chairman, superintendent, or secretary prior to the beginning of the meeting. The Board of Trustees follows a written agenda, a copy of which is available to assist you in participating in the meeting. If you have indicated on this form your desire to speak, at the appropriate time, the chairman will announce your name. You will have the floor a maximum of **five minutes**.

The Board of Trustees encourages input from the public. If you want the Board to receive more information than time permits, please reduce your concerns to written form and send them to the Board Secretary. Written Comments must include name, address and telephone number.

Total time allotted for public comment will not exceed one (1) hour. Public participation will be limited to the time allotted on the agenda. Each speaker will be limited to five (5) minutes. All speakers will be allowed to speak at least once before a speaker is allowed to address the board a second time. Public comment will be taken from the public on matters scheduled on the agenda.

Should a large number of the public wish to speak on the same issue or topic, members of the public are encouraged to select a representative(s) to summarize their position. Additionally, the Board Secretary will accept written comments for distribution to the Board.

Written materials for Board Members must be submitted to the Board Clerk. The written material must include the name, address and telephone number of the person submitting it. A copy of the materials that meet these requirements will be forwarded to Board Members if received by noon the Friday preceding the Board Meeting. Materials should not be sent directly to Board Members. Materials may be presented or mailed to the Board Clerk at 201 Idaho Avenue, Rigby, Idaho 83442.

If a topic is being considered by a committee established for that purpose, the Chairman may refer the public comment to that committee.

Because of the diversity of issues, members of the Board will not respond to public comment. Instead, issues may be recorded and referred to the proper staff person for follow-up. The Chairman may interrupt or terminate an individual's statement when it is too lengthy, personally directed, abusive, obscene, repetitive, or irrelevant. The Board of Trustees as a whole shall have the final decision in determining the appropriateness of all such rulings.

If a special meeting has been held to obtain public comment on a specific issue, the Chairman of the Board may not recognize speakers wishing to comment on the same topic at a regular meeting of the Board.

Records Available to Public

Subject to the limitation provided herein, and as provided by law, full access to information concerning the administration and operations of the District shall be afforded to the public. Public access to District records shall be afforded according to appropriate administrative procedures.

Every person has the right to examine and take a copy of any public record at all reasonable times. All District records except those restricted by state and federal law shall be made available to citizens upon written request for inspection at the Clerk's office.

The Superintendent shall serve, or appoint someone to serve, as “public records coordinator” with the responsibility and authority for ensuring compliance with the display, indexing, availability, inspection, and copying requirements of federal law, state law, and this policy. The public records coordinator shall authorize the inspection and copying of the District's records only in accordance with the criteria set forth in this policy and in compliance with state and federal laws.

A written copy of the Board’s minutes shall be available to the general public within a reasonable time after the meeting in which they are approved.

A “Public record” includes any writing containing information relating to the conduct or administration of the public's business prepared, owned, used or retained by any state agency, independent public body corporate and politic, or local agency regardless of physical form or characteristics.

A "Writing" includes, but is not limited to, handwriting, typewriting, printing, photocopying, photographing, and every means of recording, including letters, words, pictures, sounds or symbols, or combination thereof, and all papers, maps, magnetic or paper tapes, photographic films and prints, magnetic or punched cards, discs, drums or other documents.

Public records of the District do not include the personal notes and memoranda of staff that remain in the sole possession of the maker and which are not generally accessible or revealed to other persons.

In accordance with Title 9, Chapter 3, Idaho Code, the following records shall **not** be subject to public inspection and/or copying:

1. Any public record exempt from disclosure by federal or state law or federal regulations to the extent specifically provided for by such law or regulation;
2. All other personnel information relating to a public employee or applicant including, but not limited to, information regarding sex, race, marital status, birth date, home address and telephone number, net pay, applications, testing and scoring materials, grievances, correspondence, and performance evaluations, shall not be disclosed to the public without the employee's or applicant's written consent;
3. Retired employees' and retired public officials' home addresses, home telephone numbers, and other financial and non-financial membership records;
4. Records of a current or former employee other than the employee's duration of employment with the District, position held, and location of employment. This exemption from disclosure does not include the contracts of employment or any remuneration, including reimbursement of expenses. All other personnel information relating to an employee or applicant including, but not limited to, information regarding sex, race, marital status, birth date, home address and telephone number, applications, testing and scoring materials, grievances, correspondence, retirement plan information and performance evaluations, shall not be disclosed to the public without the employee's or applicant's written consent;
5. Records relating to the appraisal of real property, timber, or mineral rights prior to its acquisition, sale, or lease by the District;
6. Any estimate prepared by the District that details the cost of a public project until such time as disclosed or bids are opened, or upon award of the contract for construction of the public project;
7. Records of any risk retention or self-insurance program prepared in anticipation of litigation, or for analysis of, or settlement of potential or actual money damage claims against the District and/or its employees except as otherwise discoverable under the Idaho or federal rules of civil procedure. These records shall include, but are not limited to, claims evaluations, investigatory records, computerized reports of losses, case reserves, internal documents, and correspondence relating thereto. At the time any claim is concluded, only statistical data and actual amounts paid in settlement from public funds shall be deemed a public record unless otherwise ordered to be sealed by a court of competent jurisdiction. Provided however, nothing in this subsection is intended to limit the attorney client privilege or attorney work product privilege otherwise available to any public agency or independent public body corporate and politic;
8. Computer programs developed or purchased by or for the District for its own use. As used in this subsection, "computer program" means a series of instructions or statements which permit the functioning of a computer system in a manner designed to provide storage, retrieval, and manipulation of data from the computer system, and any associated documentation and source material that explain how to operate the computer program. Computer program does not include:
 - a. The original data including, but not limited to, numbers, text, voice, graphics, and images;
 - b. Analysis, compilation, and other manipulated forms of the original data produced by use of the program; or
 - c. The mathematical or statistical formulas that would be used if the manipulated forms of the original data were to be produced manually.
9. Personal information from any file maintained for students. Information from student records shall be disclosed only in accordance with the requirements of the Family Educational Rights and Privacy Act of 1974 and adopted District policy;

10. Test questions, scoring keys, or other examination data used to administer academic tests;
11. Records that are relevant to a controversy to which the District is a party, but which records would not be available to another party under the rules of pre-trial discovery for cases pending resolution;
12. Records of buildings, facilities, infrastructures, and systems when the disclosure of such information would jeopardize the safety of persons or the public safety. Such records may include emergency evacuation, escape or other emergency response plans, vulnerability assessments, operation and security manuals, plans, blueprints or security codes.

However, all personnel records of a current or former public official reflecting public service or employment history, classification, pay grade and step, longevity, gross salary and salary history, status, workplace, and employing agency are subject to public inspection and/or copying.

If the record requested for inspection and/or copying contains both information exempted from disclosure and non-exempt information, the District shall, to the extent practicable, produce the record with the exempt portion deleted and shall provide a written explanation for the deletion.

The District may require that a public records request be submitted in writing with the requester's name, mailing address, email address, and telephone number. The District may provide the requester information to help the requester narrow the scope of the request or to help the requester make the request more specific when the records requested are voluminous or costly.

The District shall either grant or deny a person's request to examine or copy public records within three (3) working days of the date of the receipt of a request for public records. If a longer period of time is needed to locate or retrieve the records, the District shall notify the person requesting the records of the same and provide the records to such person not later than ten (10) working days following the request. In the event an individual requests a record be provided in electronic format, the District shall provide the record in electronic format if the record is available in that format. If a record is requested in electronic format and the record cannot easily be converted to electronic format within ten (10) working days, the District shall notify the person requesting the records of this fact and provide them with an estimate of the time necessary to complete the conversion. The documents shall then be provided at a time mutually agreeable to the parties and provide time mutually agreed upon giving consideration to any limitations that may exist regarding electronic conversion.

If the District fails to respond, the request shall be deemed to be denied within ten (10) working days following the request. If the District denies the person's request for examination or copying the public records or denies in part and grants in part the person's request for examination and copying of the public records, the public records coordinator shall notify the person in writing of the denial or partial denial of the request for the public record. The notice of denial or partial denial shall state that the attorney for the District has reviewed the request or shall state that the District has had an opportunity to consult with an attorney regarding the request for examination or copying of a record and has chosen not to do so. The notice of denial or partial denial also shall indicate the statutory authority for the denial and indicate clearly the person's right to appeal the denial or partial denial and the time periods for doing so.

The public records coordinator is authorized to seek an injunction to prevent the disclosure of records otherwise suitable for disclosure when it is determined that there is reasonable cause to believe that the disclosure would not be in the public interest and would substantially or irreparably damage any person or would substantially or irreparably damage vital governmental functions.

Unless a person requesting the public record can demonstrate an inability to pay or if the requester's interest is in litigation in which the requester is, or may become, a party, or the public's interest or understanding of the operation or activities of the District or its records would suffer by the assessment or collection of any fee, the District will adhere to its copying fee schedule.

The public records coordinator shall determine if there is an inability to pay by the requester or whether the request is likely to contribute significantly to the public's understanding of the operations or activities of government. The public records coordinator shall notify the requester in writing of their decision within ten (10) working days following the request. If the fee waiver is denied, the requester shall then have seven (7) days to file an appeal of the denial with the Superintendent. The Superintendent shall review the denial and either affirm or reverse the denial of the public records coordinator in writing within ten (10) working days of receipt of the appeal. In the event that the Superintendent is the public records coordinator then the appeal shall be filed within seven (7) days to the Board. At the Board's next regularly scheduled meeting, the Board shall review the denial of fee waiver and either affirm or reverse it. There shall be no further appeal beyond the Board. The request shall not be fulfilled or prepared until such time as the denial has been reversed. If the denial is reversed, then the time for response shall run from the date of the written reversal of the denial. If the denial is affirmed and there are no further appeals available, then the requester shall be required to pay in advance the estimated costs for the request.

A requester may not file multiple requests for public records solely to avoid payment of fees. If the District suspects that this is the case, then it can aggregate the related requests and charge based upon its copying fee schedule.

The copying fee schedule of the District is as follows:

- a) The District shall not charge a fee for the first 100 pages of records or the first two (2) hours of labor in responding to a request;
- b) Copies of public records - 5¢ per page (cannot exceed actual cost) for copies beyond the first 100 pages or beyond the first (2) hours of labor in responding to a request;
- c) The District will charge for the labor costs associated with locating and copying documents if:
 - (1) The request is for more than 100 pages of records;
 - (2) The request includes non-public information that must be redacted from the public records; and/or
 - (3) The labor associated with locating and copying the records exceeds two (2) hours.
- d) The fees for labor associated with responding to a public records request shall be charged at the per hour pay rate of the lowest paid administrative staff employee of the District who is necessary and qualified to process the request.
- e) The fees associated with redactions required to be made by an attorney employed by the District shall be charged at the lowest paid hourly rate of the lowest paid attorney employed by the District or if there are no attorneys employed by the District than the

rate shall be no more than the usual and customary rate of the attorney retained by the District.

- f) Copy of a duplicate computer disc or similar record system the fee shall not exceed:
- (1) The District's cost of copying the information in that form;
 - (2) The District's cost of conversion, or the cost of conversion charged by a third party, if the electronic record must be converted to electronic form.

Fees shall be collected in advance. The District shall provide requesters with an itemized statement of fees to show the per page costs for copies and the hourly rate of employees and attorneys involved in responding to the request.

A request for public records may be conducted by electronic mail.

In-Service Conference for Trustees

Because the Board, as the policy-making authority of the school system, is responsible to the public for the success of educational services offered by the school system, and because that success is directly dependent upon each Board Member's comprehension of system wide operations and the Member's ability to participate meaningfully in the decision-making process, the Board will provide, as soon as practicable, for the orientation of new Members. The purpose of the orientation is to help them become acquainted with their duties and responsibilities as Members of the Board.

In keeping with the need for continued boardsmanship development, the Board encourages the participation of its members at appropriate Board conferences, workshops, conventions and District-sponsored in-service training sessions. Funds for participation at such meetings will be budgeted on an annual basis.

Educational Philosophy

Universal opportunity for public education is America's response to a moral principle: that every person should have the opportunity to develop to his/her full potential. American democracy presupposes an informed and responsible people. Government can remain the people's servant only when the people fulfill the political responsibilities, which make possible the expression of their will. Intelligent fulfillment of these responsibilities is impossible for an uneducated people.

The American public school is an indispensable source of national unity, common purpose, and equality of opportunity. The defense and perpetuation of democracy requires an educated citizenry. Therefore, the American system of free public education, enhanced by the traditional separation of church and state, is essential of our democratic way of life.

Education is a process of acquiring the knowledge, skills, and standards of culture, and of learning to contribute to that culture. The public elementary and secondary school is but one of many institutions of the United States engaged in education. The roles of home, church and community are basic. The primary responsibility, however, for the secular education of most Americans rests with the public schools.

The best education is that which does the most to enable each student to develop his abilities and to serve society. Education must therefore be appropriate to the needs of each pupil and to the needs of society.

Secondary schools should offer varied and specialized programs of instruction which make possible a broad general education, advanced and specialized study, and planning of programs to meet the individual student needs. The programs of all secondary school students should include English, Social Studies, Science, Mathematics, as well as Physical and Health Education. Pupils should be able, in addition, to study and specialize in subjects of an immediate practical nature. Commercial, vocational and homemaking courses designed to develop skills which have social or economic value are available.

To secure the greatest value in the limited time available, it is expected that each teacher shall direct the student's activities at all times. Basic skills are necessary for all students and will be emphasized in each program. The general objectives of education are listed under the following categories:

1. The objectives of self-realization
2. The objectives of human relationship
3. The objectives of economic efficiency
4. The objectives of civic responsibility

Accountability

A general objective of the school board is to promote excellence in education and to develop a concept of accountability beginning with the Board and working its way through the district administration; building level administration; teachers; and support staff. The Board's accountability to the students, parents, patrons, and employees will be met as the Board prudently provides the resources and support for a quality education for every child. One measure of the board's accountability will be the level of unreserved fund balance that it maintains in the Maintenance and Operation Fund. The Board will not adopt a budget that provides for less than a 7% unreserved fund balance in the M&O Fund. If the unreserved fund balance, in the M&O Fund, exceeds this level of minimum accountability the excess will be used to address plant facility needs in the district.
