- Fewer than 25 persons are insured under the Policy.
- The premium is not paid in accordance with the provisions of the Policy.

- We stop providing the type of coverage under this Policy to all groups in the Policy issue state.

We reserve the right to review and terminate all classes covered under the Policy if any class(es) ceases to be covered.

If we terminate the Policy for reasons other than the Policyholder's failure to pay premiums, Written notice will be mailed to the Policyholder at least 90 days prior to the termination date.

The Policyholder may terminate the Policy by Written notice delivered to us at our home office prior to the termination date. When both the Policyholder and we agree, the Policy can be terminated on an earlier date.

If the Policyholder or we terminate the Policy, coverage will end at 12:00 midnight standard time at the Policyholder's address on the termination date.

If the Policy is terminated, the termination will not affect a payable claim.

PORTABILITY

Portability means you have the option to continue your coverage after it would otherwise terminate if certain conditions are met.

You may continue your coverage if it would otherwise terminate due to any of the following:

- You retire or terminate employment with the Employer, if coverage remains in effect under the Policy for other Active Employees.
- The Policyholder terminates coverage under the Policy for all Insured Persons, and does not replace it with similar insurance coverage.
- You are no longer eligible for coverage under the Policy.

The Employer or we will provide you with the information needed to continue your coverage under this provision. Continuation of coverage must be elected within 31 days of when it would otherwise terminate. Coverage continued under this provision is subject to all the terms of this Certificate.

You may not increase the continued coverage amount. Continued premium payment is required to keep coverage in force. Premiums will be billed directly to you. The initial premium will be based on the portability premium rates in effect at the time you are eligible to continue your coverage under this provision. We may change the portability premium rates at any time upon 60 days Written notice to you.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which premiums are paid if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.

The Policyholder has a grace period of 60 days for the payment of any premium due except the first premium payment. During the Policyholder's grace period, the Policy will remain in force. If the full premium payment is not received by us by the end of the grace period, the Policy will automatically terminate at the end of the grace period. The Policyholder is required to pay a pro rata premium for any period the Policy was in force during the grace period. There is no grace period if the Policyholder gives us advance Written notice of termination, or if we have given the Policyholder advance Written notice of termination as described under the POLICY TERMINATION provision.

If you are continuing your coverage under the PORTABILITY provision, you have a grace period of 31 days for the payment of any premium due. During your grace period, your coverage will remain in force. If the full premium payment is not received by us by the due date, we will give Written notification to you that if the premium is not paid by the end of the grace period, all coverage will terminate on the last day of the grace period. If we fail to give such Written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving Written notice of such intent to you, and such notice will specify that all coverage will terminate on that date if the premium remains unpaid. A pro rata premium payment is required for any period your coverage was in force during the grace period.

REPRESENTATIONS NOT WARRANTIES

All statements made by the Policyholder and you are considered representations and not warranties.

INCONTESTABILITY

We will not use any statements made by you to avoid insurance, reduce benefits or defend a claim unless the statement is included in a Written application or enrollment form relating to your insurability. Except for fraud, we will not use such statements to contest insurance after it has been in force for two years from its effective date. Fraud in the procurement of coverage under the Policy is only contestable after the coverage has been in force for two years from its effective date if permitted by applicable law in the governing jurisdiction. The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

CLERICAL ERROR

Clerical error or omission by the Policyholder or us will not:

- Prevent you from being covered, if you are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for you when the coverage would not otherwise be effective.
- End insurance validly in effect.

If the Policyholder gives us information about you that is incorrect, we will do both of the following:

- Use the facts to decide whether you are eligible for coverage under the Policy and in what amounts.
- Make a fair adjustment of the premium.

MISSTATEMENT OF AGE

If premiums are based on your age and you have misstated your age, then your correct age will be used to determine if any insurance is in effect and, as appropriate, the premium and/or benefits will be adjusted. We may require satisfactory proof of your age before paying any claim.

ASSIGNMENT

No assignment of benefits under the Policy is valid unless otherwise specified in the Policy.

AGENCY

For purposes of the Policy, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed our agent.

CONFORMITY WITH STATE STATUTES

Any provision of the Policy which, on the Policy effective date and each subsequent Policy anniversary date, conflicts with any law that applies in the governing jurisdiction is automatically amended to conform to the minimum requirements of such law.

CHANGES TO POLICY OR CERTIFICATE

The Policy may be amended at any time by Written agreement between the Policyholder and us. No change in the Policy will be valid until approved by one of our executive officers. Such approval must be in Writing and will be endorsed or attached to the Policy. Changes requiring regulatory approval will not be valid until approved by the appropriate regulatory body. We will issue new Certificates or riders or endorsements to effect such changes, and only those forms Signed by one of our executive officers will be valid.

No agent, representative or employee of ours or of any other entity, except one of our executive officers, may approve a change to waive any terms of the Policy.

CRITICAL ILLNESS BENEFITS

We will pay the BENEFIT AMOUNT as shown on the SCHEDULE OF BENEFITS if you are diagnosed with a Critical Illness on or after your coverage effective date. The percentage of BENEFIT AMOUNT payable and any applicable maximum benefit amounts are listed for the Critical Illness on the SCHEDULE OF BENEFITS.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis as defined in the DEFINITIONS section of this certificate. A subsequent diagnosis of a Critical Illness that is for the same illness/condition as a Critical Illness for which benefits were payable under the Policy may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Benefits are payable up to the total maximum benefit amount shown on the SCHEDULE OF BENEFITS for each Critical Illness. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable to you for each Critical Illness in the Certificate during your lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness.

When the total maximum benefit amount has been paid for a Critical Illness, no further benefits are payable for that Critical Illness. When the total maximum benefit amount has been paid for all Critical Illnesses, no further benefits are payable and your coverage (including all riders) terminates.

CLAIMS

NOTICE OF CLAIM

Written notice of your claim should be given to us within 30 days after the date of loss (date of diagnosis). The notice may be given to us at our home office or to our authorized administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible.

CLAIM FORM

The claim form is available from the Employer or you can request a claim form from us. If you do not receive the form from us within 15 days of your request, you may send us Written proof of claim without waiting for the form. If such Written proof of claim covers the occurrence, character and extent of the loss within the time period below for proof of claim, you will be deemed to have complied with the requirements for providing proof of claim.

FILING A CLAIM

The claim form(s) may require completion by you and the Employer and your attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

PROOF OF CLAIM

You must send us Written proof of your claim within 90 days after the date of loss. Failure to give such proof within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such proof within that time, and the proof was given as soon as reasonably possible. However, in any event, you must provide proof of claim no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION

We may require you to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while your claim is pending. We may also require you to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

Any accrued benefits that are payable at your death will be paid to the first survivor(s) who is/are living on the date of your death, in the following order:

1. Your spouse.
2. Your natural and adopted children, in equal shares.
3. Your grandchildren, in equal shares.
4. Your parents, in equal shares.

"Spouse" in this provision means your lawful spouse.

If a survivor entitled to receive a payment has a special needs trust established, we will make payment to that person's trust instead of to the person directly.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.

LEGAL ACTION

You can start legal action regarding a claim no earlier than 60 days after Written proof of claim has been given to us, and no later than three years from the time proof of claim is required, unless otherwise provided under federal law. SPOUSE CRITICAL ILLNESS BENEFITS

The benefit percentages and maximums for your Spouse are the same as the benefit percentages and maximums for you as shown in the SCHEDULE OF BENEFITS section of the Certificate.

DEFINITIONS

General terms defined in the DEFINITIONS section of the Certificate regarding medical conditions and eligibility apply to your Spouse.

Spouse means your lawful spouse.

GENERAL PROVISIONS

ELIGIBILITY

If you are covered under the Policy, then your Spouse is eligible under this rider on the latest of the following:

- The Policy effective date.
- The date coverage under this rider is available to the eligible class of Insured Persons to which you belong.
- Your Critical Illness coverage effective date.
- The date of your marriage.

If your Spouse is covered under the Policy as an Employee, then your Spouse is not eligible for coverage under this rider.

ENROLLMENT

If you have a Spouse eligible for Spouse coverage, you must enroll for any Spouse coverage before it will become effective. The Employer or we will provide you with the forms or information needed to complete your enrollment. You may enroll for Spouse coverage when you become newly eligible, or following a qualifying life event as allowed by the Employer, or during an enrollment period chosen by the Employer and approved by us.

EFFECTIVE DATE OF COVERAGE

Your Spouse will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date your Spouse is eligible for coverage, if you enroll for Spouse coverage on or before that date.
- The first day of the month that is on or next follows the date you enroll for Spouse coverage.
- The first day of the month that is on or next follows the date you return to Active Employment, if you are not in Active Employment when your Spouse's coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved non-medical leave of absence and paid time off for non-medical-related absences.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your Spouse's coverage begins, any increased or additional coverage will take effect on the latest of the following:

- The first day of the month that is on or next follows the date of the increased or additional coverage, if you are in Active Employment.
- The first day of the month that is on or next follows the date you return to Active Employment, if you are not in Active Employment due to injury or sickness.

Any decrease in coverage will take effect at the end of the month but will not affect a payable claim that occurs prior to the decrease.

TERMINATION

Coverage for your Spouse under this rider terminates on the earliest of the following:

- The date your Critical Illness insurance terminates. See the PORTABILITY FOLLOWING DEATH OR DIVORCE provision below if termination is due to death or regarding Spouse coverage previously continued by your Spouse.
- The date coverage under this rider is terminated for all Active Employees under the Policy. See the PORTABILITY provisions below regarding Spouse coverage previously continued by you or your Spouse.
- The date coverage under this rider is terminated for the eligible class of Active Employees to which you belong. See the PORTABILITY provisions below regarding Spouse coverage previously continued by you or your Spouse.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates.
- The last day of the month during which you voluntarily cancel coverage under this rider.
- The last day of the month during which your Spouse is no longer an eligible Spouse as defined by this rider. See the PORTABILITY FOLLOWING DEATH OR DIVORCE provision below.
- The end of the period for which premiums for this rider are paid, if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.

We will pay benefits for a loss that occurs while your Spouse is insured under this rider even if the rider has since terminated.

PORTABILITY

If you continue your coverage under the Certificate's PORTABILITY provision, then your Spouse's coverage under this rider may also be continued at the same time. Continued premium payment is required to keep your Spouse's coverage under this rider in force. You may not increase the continued Spouse coverage amount. Continued Spouse coverage under this provision is subject to all the terms of this rider.

PORTABILITY FOLLOWING DEATH OR DIVORCE

If you die or divorce, your Spouse may elect to continue Spouse coverage under this rider if certain conditions are met. Your Spouse must have been insured under this rider on the date of your death or divorce, and your Spouse must elect portability and pay the first premium within 31 days of the date of your death or divorce.

If your Spouse continues coverage under this provision, your Spouse will become the owner of their Spouse coverage under this rider. Your Spouse may decrease the continued Spouse coverage amount based on the amounts available on this rider's SCHEDULE OF BENEFITS. Your Spouse may not increase the continued Spouse coverage amount. Coverage continued under this provision is subject to all the terms of this rider.

Premiums will be billed directly to your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time your Spouse elects portability. We may change the portability premium rates at any time upon 60 days Written notice to your Spouse.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which premiums for this rider are paid if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.
- The date your Spouse voluntarily cancels coverage under this rider.
- The date your Spouse dies.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days Written notice of termination.

GRACE PERIOD

Refer to the GRACE PERIOD provision in the Certificate if you are continuing coverage under the Certificate's PORTABILITY provision.

If your Spouse is continuing coverage under the PORTABILITY FOLLOWING DEATH OR DIVORCE provision, your Spouse has a grace period of 31 days for the payment of any premium due. During this grace period, your Spouse's coverage will remain in force. If the full premium payment is not received by us by the due date, we will give Written notification to your Spouse that if the premium is not paid by the end of the grace period, then all coverage under this rider will terminate on the last day of the grace period. If we fail to give such Written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving Written notice of such intent to your Spouse, and such notice will specify that all coverage will terminate on that date if the premium remains unpaid. A pro rata premium payment is required for any period your Spouse's coverage was in force during the grace period.

CRITICAL ILLNESS BENEFITS

We will pay the BENEFIT AMOUNT as shown on this rider's SCHEDULE OF BENEFITS if your Spouse is diagnosed with a Critical Illness on or after your Spouse's coverage effective date. The percentage of BENEFIT AMOUNT payable and any applicable maximum benefit amounts are listed for the Critical Illness on this rider's SCHEDULE OF BENEFITS.

The benefits for your Spouse are the same as the benefits for you as shown in the CRITICAL ILLNESS BENEFITS section of the Certificate.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis as defined in the DEFINITIONS section of the Certificate. A subsequent diagnosis of a Critical Illness that is for the same illness/condition as a Critical Illness for which benefits were payable under the Policy, may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Benefits are payable up to the total maximum benefit amount shown on this rider's SCHEDULE OF BENEFITS for each Critical Illness. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable for each Critical Illness in this rider during your Spouse's lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness.

When the total maximum benefit amount for your Spouse has been paid for a Critical Illness, no further benefits are payable for that Critical Illness. When the total maximum benefit amount has been paid for all Critical Illnesses, no further benefits are payable and your Spouse's coverage under this rider terminates.

Payment of any benefits for your Spouse's Critical Illness will not impact the available BENEFIT AMOUNT for your Critical Illness coverage. Payment of any benefits for your Critical Illness will not impact the available BENEFIT AMOUNT for your Spouse's Critical Illness coverage as long as your coverage remains in force.

However, in any event, you must provide proof of claim no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION

We can require an examination as often as it is reasonable to do so while the claim is pending. We may also require your Spouse to be interviewed by our authorized representative. BENEFIT PAYMENTS

Benefits under this rider are payable to you. Once a claim has been approved, we will make payment immediately upon receipt of due Written proof of claim. Any accrued benefits that are payable at your death will be paid according to the BENEFIT PAYMENTS provision in the Certificate. GENERAL PROVISIONS

ELIGIBILITY

If you are covered under the Policy, then your Children are eligible under this rider on the latest of the following:

- The Policy effective date.
- The date coverage under this rider is available to the eligible class of Insured Persons to which you belong.
- Your Critical Illness coverage effective date.
- The date you acquire a Child by marriage, birth or adoption.

If your Child is covered under the Policy as an Employee, then your Child is not eligible for coverage under this rider.

If both you and your Spouse are covered under the Policy as an Employee, then only one of you may cover your Children under this rider. If the parent who is covering the Children stops being insured as an Employee then the other parent may enroll for Children's coverage under this rider. Premium payment is required to apply for this rider.

ENROLLMENT

If you have a Child or Children eligible for coverage, you must enroll for any coverage before it will become effective. You may enroll for Children's coverage when you become newly eligible, or following a qualifying life event as allowed by the Employer, or during an enrollment period chosen by the Employer and approved by us. The Employer or we will provide you with the forms or information needed to complete your enrollment.

EFFECTIVE DATE

Your Children will be covered at 12:01 a.m. standard time at the Policyholder's address on the later of the following dates:

- The date your Employee coverage is effective.
- The date your Children are eligible for coverage.

If you have coverage on yourself, your eligible newborn Child is automatically covered for the first 60 days after birth. This includes an adopted newborn Child who is placed with you within 60 days of birth. The coverage amount(s) will be the same as for your other eligible Children. If you do not already have Children's coverage under this rider, then coverage for the newborn will be at the lowest level available. If you do not already have Children's coverage under this rider, then Child coverage beyond the 60th day is subject to the conditions regarding application and Active Employment.

If you have coverage under this rider and you acquire a new eligible Child due to birth, marriage or adoption, then the newly eligible Child will be covered automatically from the date of the event. If an adopted newborn Child is placed with you within 60 days of birth, the "event" will be the date of birth. If an adopted Child is placed with you more than 60 days after birth, the "event" will be the date of placement. No additional premium is required.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your Children's coverage begins, any increased or additional coverage will take effect on the latest of the following:

- The first day of the month that is on or next follows the date of the increased or additional coverage, if you are in Active Employment.
- The first day of the month that is on or next follows the date you return to Active Employment, if you are not in Active Employment due to injury or sickness.

Any decrease in coverage will take effect at the end of the month but will not affect a payable claim that occurs prior to the decrease.

TERMINATION

Coverage for each of your Children under this rider ends on the earliest of the following:

- The last day of the month during which the Child is no longer an eligible Child as defined by this rider. Eligibility of a Child who is incapable of self-sustaining employment due to physical or intellectual disability ends when there is no longer evidence satisfactory to us that the incapacity is continuing.
- The date coverage for all your Children ends as described below.

Coverage for all your Children under this rider ends on the earliest of the following:

- The date your Critical Illness insurance terminates. See the PORTABILITY FOLLOWING DEATH provision below if termination is due to death.
- The date coverage under this rider is terminated for all Active Employees under the Policy. See the PORTABILITY provisions below regarding Children's coverage previously continued by you or your Spouse.
- The date coverage under this rider is terminated for the eligible class of Active Employees to which you belong. See the PORTABILITY provisions below regarding Children's coverage previously continued by you or your Spouse.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates.
- The last day of the month during which you voluntarily cancel coverage under this rider.
- The last day of the month during which you no longer have any eligible Children as defined by this rider.
- The end of the period for which premiums for this rider are paid, if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.

We will pay benefits for a loss that occurs while your Child is insured under this rider even if this rider has since terminated.

PORTABILITY

If you continue your coverage under the Certificate's PORTABILITY provision, then your Children's coverage under this rider may also be continued at the same time. Continued premium payment is required to keep your Children's coverage under this rider in force. You may not increase the continued Children's coverage amount. Continued Children's coverage under this provision is subject to all the terms of this rider.

PORTABILITY FOLLOWING DEATH

If you die and your Spouse continues coverage under the PORTABILITY FOLLOWING DEATH OR DIVORCE provision of the Spouse Critical Illness Rider, then Children's coverage under this rider may be continued at the same time under your Spouse's coverage. Following portability of this rider, Children may be covered only if they would have been eligible for coverage under the eligibility rules in force prior to the death of the Employee.

If your Spouse continues coverage under this provision, your Spouse will become the owner of the Children's coverage under this rider. Your Spouse may not increase the continued Children's coverage amount. Coverage continued under this provision is subject to all the terms of this rider.

Premiums will be billed directly to your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time your Spouse elects portability. We may change the portability premium rates at any time upon 60 days Written notice to your Spouse.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which premiums for this rider are paid, if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.
- The date your Spouse voluntarily cancels coverage under this rider.
- The date your Spouse's coverage under the Spouse Critical Illness Rider terminates.
- The last day of the month during which there are no longer any eligible Children as defined by this rider.
- For each Child, the date your Child's total maximum benefit amount has been paid for all Critical Illnesses and Additional Child Diseases.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days Written notice of termination.

GRACE PERIOD

Refer to the GRACE PERIOD provision in the Certificate if you are continuing coverage under the Certificate's PORTABILITY provision.

If your Spouse is continuing Children's coverage under the PORTABILITY FOLLOWING DEATH provision, your Spouse has a grace period of 31 days for the payment of any premium due. During this grace period, your Children's coverage will remain in force. If the full premium payment is not received by us by the due date, we will give Written notification to your Spouse that if the premium is not paid by the end of the grace period, then all coverage under this rider will terminate on the last day of the grace period. If we fail to give such Written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving Written notice of such intent to your Spouse, and such notice will specify that all coverage will terminate on that date if the premium remains unpaid. A pro rata premium payment is required for any period your Children's coverage was in force during the grace period.

CRITICAL ILLNESS BENEFITS

We will pay the BENEFIT AMOUNT as shown on this rider's SCHEDULE OF BENEFITS if your Child is diagnosed with a Critical Illness or an Additional Child Disease on or after your Child's coverage effective date. The percentage of BENEFIT AMOUNT payable and any applicable maximum benefit amounts are listed for the Critical Illness on this rider's SCHEDULE OF BENEFITS. Benefits are payable for each covered Child.

The benefits for your Children are the same as the benefits for you as shown in the CRITICAL ILLNESS BENEFITS section of the Certificate. Benefits for the Additional Child Diseases module are shown below.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis as defined in the DEFINITIONS section of the Certificate. A subsequent diagnosis of a Critical Illness or Additional Child Disease that is for the same illness/condition as a Critical Illness or Additional Child Disease for which benefits were payable under the Policy may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Benefits are payable up to the total maximum benefit amount shown on this rider's SCHEDULE OF BENEFITS for each Critical Illness and Additional Child Disease. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable for each Critical Illness and Additional Child Disease in this rider during your Child's lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness or Additional Child Disease.

When the total maximum benefit amount for a Child has been paid for a Critical Illness or Additional Child Disease, no further benefits are payable for that Child for that Critical Illness or Additional Child Disease. When the total maximum benefit amount for a Child has been paid for all Critical Illnesses and Additional Child Diseases, no further benefits are payable for that Child. When the total maximum benefit has been paid for all Children for all Critical Illnesses and Additional Child Diseases, no further benefits are payable and your Children's coverage under this rider terminates.

Payment of any benefits for your Child's Critical Illness or Additional Child Disease will not impact the available BENEFIT AMOUNT for your Critical Illness coverage. Payment of any benefits for your Critical Illness will not impact the available BENEFIT AMOUNT for your Child's Critical Illness coverage as long as your coverage remains in force.

A diagnosis of any Critical Illness or Additional Child Disease must be made after your Child's live birth and by a Doctor familiar with the diagnosis of the specific condition.

ADDITIONAL CHILD DISEASES MODULE

Benefits for Cerebral Palsy, Congenital Anomaly, Cystic Fibrosis, Down Syndrome, Gaucher Disease, Type II or III, Infantile Tay Sachs, Niemann-Pick Disease, Pompe Disease, Sickle Cell Anemia, Type 1 Diabetes, Type IV Glycogen Storage Disease and Zellweger Syndrome are payable when we receive due proof of such condition which is diagnosed on or after your Child's coverage effective date (including the effective date of any changes to coverage).

If benefits for Cerebral Palsy, Cystic Fibrosis, Down Syndrome, Gaucher Disease, Type II or III, Infantile Tay Sachs, Niemann-Pick Disease, Pompe Disease, Sickle Cell Anemia, Type 1 Diabetes, Type IV Glycogen Storage Disease and Zellweger Syndrome are also considered a Congenital Anomaly, only one benefit is payable.

A diagnosis of Type 1 Diabetes must: 1) be made by a board-certified or board-eligible endocrinologist or other specialist in the treatment of diabetes; 2) be based on blood tests; and 3) require insulin administration for a continuous period of at least 3 months.

If Type 1 Diabetes is included in the Major Organ Module as well as this rider, only one benefit is payable.

CLAIMS

NOTICE OF CLAIM

Written notice of your claim should be given to us within 30 days after the date of loss (date of diagnosis). The notice may be given to us at our home office or to our authorized administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible.

CLAIM FORM

The claim form is available from the Employer or you can request a claim form from us. If you do not receive the form from us within 15 days of your request, you may send us Written proof of claim without waiting for the form. If such Written proof of claim covers the occurrence, character and extent of the loss within the time period below for proof of claim, you will be deemed to have complied with the requirements for providing proof of claim.

FILING A CLAIM

The claim form(s) may require completion by you and the Employer and your Child's attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

PROOF OF CLAIM

However, in any event, you must provide proof of claim no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION

We may require your Child to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while the claim is pending. We may also require you to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

BENEFIT PAYMENTS

Benefits under this rider are payable to you. Once a claim has been approved, we will make payment immediately upon due Written proof of claim. Any accrued benefits that are payable at your death will be paid according to the BENEFIT PAYMENTS provision in the Certificate. For PORTABILITY FOLLOWING DEATH, benefits are payable to your Spouse, and any accrued benefits that are payable at the time of your Spouse's death will be paid to your Spouse's estate.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.

LEGAL ACTION

You can start legal action regarding a claim no earlier than 60 days after Written proof of claim has been given to us, and no later than three years from the time proof of claim is required, unless otherwise provided under federal law. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your Children's coverage.
